A guaranteed change of scene
As you move from one neighbourhood to the other, atmospheres will change and you will discover architectural treasures.

It’s only one step away
Metropole of Lille is 80 minutes away from London, 60 minutes away from Paris, 35 from Brussels and 160 from Amsterdam by train. It also has 4 airports less than 1 hr and 30 min. away: it only takes 50 minutes to come from Roissy Charles de Gaulle, Lille’s airport is 20 min. away from the historic centre, and the Belgian airports of Zaventem and Charleroi are less than an 1hr and 30 min. away by train or by car.

A unique lifestyle
The ideal place to meet and share, with its restaurants, tables arranged outside cafés, bars and night clubs that can be either classic or original, but always full of life.

The people of Lille love sharing their typically French «art de vivre» to which they add their own lifestyle: a friendly Flemish atmosphere to be enjoyed without moderation!

Culture for all, anywhere and at any time
Cultural life is surprising and exciting, following the pace of exhibitions, concerts, festivals and cheers! Museums are no less unusual and welcome large-scale exhibitions.

Enduring memories
History has left its traces everywhere in the area and reminds us its Flemish and Burgundy past. World Wars and industry have left their marks on the area and on the people.

Trendy shopping
From its past, Metropole of Lille has maintained a trading tradition which includes markets, fairs and fine shops.

A fun-loving place
Metropole of Lille is a land dedicated to fun and celebrations! Flea-markets, parades, carnivals and fairs have always brought families and friends together.

Going green
Forests, parks, gardens, paths and canals are only a few minutes away from city centres. Hikers and cyclists love the «plat pays» (as this area of Flanders is known) for its plains, tow paths and little roads in the country which offer one or two-hour strolls or rides.

The Sports Metropole
With the Paris-Roubaix, Lille Metropole is definitely cycling country; but it has also hosted many top international sporting events, including the Davis Cup Final, EuroBasket, football’s European Cup, the handball world championships and the European Athletics Team Championships.

Live to the rhythm of the Metropole
There is always more to discover and to share in the multi-faceted Metropole. You can easily visit a museum set up in a former Art Deco swimming-pool, go shopping in luxury boutiques, wander through the streets, admire their coloured Flemish façades and have a restful time in a local brasserie, café or typically decorated restaurant.
